Seen Instruction

"Exit the stairs, turn right before walk past the cabinet. Continue through the sitting area until you stand near a chair facing the large windows."

Seen Environment (Training Phase)

Learn Modular Skills in Seen Instruction and Environments

Direction Adjustment

(e.g. Turn left)

Vertical Movement

(e.g. Go upstairs)

Stop and Pause

(e.g. Stand there)

Landmark Detection

(e.g. Go towards the table)

Area and Region Identification

(e.g. Proceed into
 the bathroom)

Temporal Order Planning

(e.g. Before you
turn, go next)

Recompose Skills to Generalize in New instruction style and Environments

New Instruction Style

"Alright, so what you're going to do is head outside, then walk over to the railing and make a right. Keep going until you reach the steps that lead to the pool area, and then just stop there and wait."

New Unseen Environment
